NEW OPPORTUNITIES

SHIM's After School Program

SHIM provides after school tutoring and mentoring to students, and anyone with school-aged kids knows how hungry they are between dismissal and dinner. SHIM's after school program provides snacks to their students, and we are excited to share their snack Wishlist with our congregation. When you purchase a snack off of the list, it will be delivered directly to this program, keeping the students fed by streamlining our donations.

Carnegie Elementary School Freestore 15106

Inspired by Gisele Fetterman's Freestore 15104, teachers at Carnegie Elementary School established their own version for the school to benefit students and families in Carnegie.

All of the approximately 350 students receive a free breakfast, free lunch, and receive a half gallon of milk and a loaf of bread on a regular basis. Currently, 61 of the students receive a bag of groceries every Friday afternoon. In addition to food, FreeStore 15106 offers such essentials as gently used clothing and shoes, new socks and underwear, laundry detergent, toilet paper, deodorant, and other toiletries.

Please bring donations to Temple Emanuel. Thank you to TERMS for setting up this drive and delivering donations!

I'm so proud that our congregation does so much to address food-insecurity in our area. We are continuing our efforts to help those in need, and now we are expanding our impact with new opportunities as well.
