The cover of the Thank You card made by the students of Carnegie Elementary School to everyone who has donated to FreeStore 15106 so far.

The Temple Emanuel's Retirees in Mitzvah Service (TERMS) group began an ambitious project in January: Get the word out to help stock and organize Carnegie Elementary School's FreeStore 15106.

Since then our entire Temple Emanuel community has really shown up for the students of the school and their families by providing so many donations and volunteering in the FreeStore. While we are not stopping and encourage you all to continue donating as you are able, I thought it would be nice to take a moment and acknowledge your local impact on these families.

The teachers who developed this store--Mary Campbell, Don Alexander, and Meredith Kladakis--and their students made us a 'Thank You' card, displayed in our lower lobby by the donation box that I encourage everyone to take a look at the next time you are in Temple Emanuel. The back message reads, "The FreeStore 15106 Team and families at Carnegie Elementary send our sincerest thanks for your well wishes, prayers, volunteers, donations, and partnership. We are very fortunate to have you as part of the team. Your donations help 52 families that are food insecure as well as students on a daily basis. Thank you."
