ADL's Kulanu: Synagogues in Action Against Antisemitism

We are proud to announce our participation in the new year in *Kulanu*, ADL's national synagogue engagement program. Different than our special interest Kulanu Groups, ADL's *Kulanu*—Hebrew for “all of us”—gives our congregation access to exclusive learning opportunities, tools and resources tapping ADL expertise so we can take action to combat against hate and antisemitism in our community.

The program officially begins in October, and my hope is that my participation in the *kulanu* will help me to think through actionable ways we can address antisemitism here at Temple Emanuel. Want to learn more about how to get involved in Temple Emanuel's Kulanu working group? Contact me, [Sarah Mangan](#).

Giving Back During the High Holidays

We will collect non-perishable food items for SHIM again this year. Donations can be dropped off in the large boxes beside the stairs to the upper lobby.

Are you looking for an activity that allows you and your family to give back during the High Holidays? The JCC's Center for Loving Kindness is hosting a Rosh Hashanah Mitzvah Project to donate, pack, and deliver care kits for people in need.

Care kit [supplies](#) are listed [here](#) if you are interested in donating, and you can drop off donations to the South Hills JCC through September 13th.

To help pack the kits, [register here for the event](#) on Sunday, September 17 from 3:00 to 4:15 pm.

More updates about our involvement in *Kulanu: Synagogues in Action Against Antisemitism* will be shared with you here as I learn more.

We are always collecting non-perishable food donations for SHIM in the boxes beside the stairwell.

SHIM is NOT accepting clothing donations until their closet renovation is complete.
